FORCE Updates

ATTENTION ALL PARENTS!!!

We need your help! Attendance has been low across all grade levels. Please help us with ensuring your student logs in to class on time at 8:30AM. If your child is an in-person student, please make sure that your child arrives prior to 8:30AM. This will give your child enough time to get screened and pick up breakfast. Thank you for your help

Message from School Counselor

PARENTS! SPRING BREAK IS HERE! WANT SOME IDEAS ON HOW TO SPEND SOME 1 ON 1 TIME WITH YOUR CHILDREN DURING SPRING BREAK DURING COVID? CHECK THESE OUT!

Set aside time to spend with each child

It can be for just 20 minutes, or longer. It can be at the same time each day so children or teenagers can look forward to it.

Ask your child what they would like to do

Allowing them to choose, builds their self-confidence. If they want to do something that isn't OK with social distancing, then this is a chance to talk with them about this and find alternate activities.

Switch off the TV and phone. This is virus-free time (See examples below)

- Talk about something they like: sports, music, celebrities, friends
- Cook a favorite meal together
- Exercise together to their favorite music
- Read a book or look at pictures
- Dance to music or sing songs!
- Do a chore together – make cleaning and cooking a game!
- Help with schoolwork

****MOST IMPORTANTLY: LISTEN TO THEM, LOOK AT THEM. GIVE THEM YOUR FULL ATTENTION. HAVE FUN!**

Enjoy the break!
